Dear University Heights Health and Living Residents and Families,

03/01/2022

We have one resident who has tested positive for COVID-19. The resident has been placed on COVID-19 isolation. As result of this finding, we are pausing communal dining and group activities.

All Residents and associates are being tested and families will be notified if their loved one yields a positive result. Please refer to our email link providing data related to University Heights COVID data updates: https://cardon.us/covid_updates/university-heights-updates/.

Thank you for your continued support and patience. If you have any additional questions, please do not hesitate to reach out at any time. I can be reached at (317) 885-7050 or university-administrator@cardon.us. You can also call our dedicated hotline at (812) 961-2326 or email questions to Covid-19@cardon.us. Please remember to social distance, perform hand hygiene, and wear a mask when you are out there in the community.

Respectfully,

Benjy Grzych, HFA

Executive Director
